

## COMPANY INTRODUCTION

Hoya Star is a manufacturer as well as trading company!

Our factory has been established in central of Taiwan, Taichung City Wufeng Dist since 1992. At beginning, our factory only OEM all kinds of parts of hand tool, hardware, auto tool, auto parts, machine parts for many renown brand. We have excellent production and quality control skills, and also get ISO9001 certificate.

In order to expand our full range of services for clients, we established our trade team to export products of this field in 2015. Based on our factory experienced production and inspection, we add sourcing, design, packing, shipping, logistics and Customs clearance. And our trade team officially established Hoya Star international limited in 2017. Hereafter, our factory is dedicated in production; Hoya Star is dedicated in sales and customer service.

To meet future trend, we add our product lines of electric vehicle & accessories, green cordless power tool & green building products from 2018.

Our strength is to provide innovative, exclusive, newest, customize, handy, patented, quality products with reasonable prices to clients.

Honesty and reciprocity are our faiths. According to these faiths, we have following principles:

1. We do not sell counterfeit or infringing products, all of our products are from original manufacturers.
2. We do not do shoddy work and use inferior material for cost down.
3. We do not sell shoddy or bad quality products.

Kepping above principles and our best sincerity, hope we can build long-term stability cooperation with you in the future.
